Tickets will be available at a table outside the main gates on the night of the event. All Scouts in attendance will be able to participate in an on-field parade, but you MUST be in attendance no later than 5:50 PM. Please leave all tents and camping equipment in the car until after the game ends. For those scouts spending the night, the package comes with a meal consisting of a hotdog, chips, an ice cream sandwich, and a soda or water (a voucher will be given to those scouts and must be used during the game). Please remain in your seats following the end of the game, as Kernels staff will address you with instructions. Breakfast in the morning will include cereal and juice. We ask that all units exit the stadium by 8:00am on Saturday morning. Movie will be decided at a later date.
